You could lose money by investing in the Fund. Because the share price of the Fund will fluctuate, when you sell your shares they may be worth more or less than what you originally paid for them. The Fund may impose a fee upon the sale of your shares or may temporarily suspend your ability to sell shares if the Fund's liquidity falls below required minimums because of market conditions or other factors. An investment in the Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.

Any gain resulting from the sale or exchange of Fund shares will be taxable as long-term or short-term gain, depending upon how long you have held your shares.

Performance may reflect the waiver of a portion of the fund's fees and/or reimbursement of certain expenses. If fees had not been waived and certain expenses were not reimbursed the performance would have been lower.
