Change of Ownership Form

New York's 529
Advisor[®]Guided
 College Savings Program

- Use this form to transfer your **entire Account balance to a new Account Owner**. A transfer of control of an Account may result in adverse income or gift tax consequences. You should consult a qualified tax advisor regarding the application of federal, state, and local tax law to your circumstances before transferring ownership of an Account. Once the transfer is complete, the new Account Owner will control the Account and the disposition of all assets held in the Account. If you would like to transfer ownership of more than one Account, please include the Account number and Beneficiary's name for each Account below in **Section 1**.
- **Important:** If the new Account Owner does not already have an Account for the Beneficiary, he or she must also submit an **Enrollment Application** for each Beneficiary.
- You must have the current Account Owner's signature notarized. **Don't sign this form until you're in the presence of a notary public.**
- Do not use this form if the current Account Owner is deceased. Instead, call **1.800.774.2108** for assistance.

Important Tax Information: The current Account Owner must disclose to the new Account Owner any previous New York State tax deductions taken for contributions to the Account listed in **Section 1**. If the new Account Owner takes a withdrawal, he or she will be liable for any previous New York State tax deductions taken by the current Account Owner if those deductions are subject to recapture, including in the case of non-qualified withdrawals and rollovers to a non-New York 529 plan. The new Account Owner's liability for such deductions applies even if he or she is not a New York State resident; consult a tax advisor for guidance.

REMEMBER TO SIGN IN SECTION 3.

- As new Account Owner: I acknowledge and agree that I am responsible for reporting as gross income on my New York State income tax return the portion of any withdrawals I take from the Account that are subject to recapture of any previous New York State tax deductions taken for contributions made to the Account by the current Account Owner. Recapture applies in the case of certain withdrawals as determined by New York law and the State of New York Department of Taxation and Finance, and includes non-qualified withdrawals and rollovers to a non-New York 529 plan. I understand and agree that I may be required to file a New York state income tax return to report such income even if I am not a New York State resident.
- As new Account Owner: I certify that the information provided in this form is true and complete in all respects.
