

# European Money Market Fund Regulatory Reform Finalised

J.P. Morgan Global Liquidity

July 2017

On Friday 30 June, the Regulation on Money Market Funds (MMFs) was published in the Official Journal of the European Union, following approval by Ministers in the Council and by the European Parliament. The regulation will come into force on 21 July 2017. This means that all existing funds must conform to the new regulation by 21 January 2019.

The full text of the regulation can be found [here](#).

If you have any questions about the regulation, please contact your Global Liquidity representative at J.P. Morgan Asset Management.

**NOT FOR RETAIL DISTRIBUTION:** This communication has been prepared exclusively for institutional/wholesale/professional clients and qualified investors only as defined by local laws and regulations.

The views contained herein are not to be taken as advice or a recommendation to buy or sell any investment in any jurisdiction, nor is it a commitment from J.P. Morgan Asset Management or any of its subsidiaries to participate in any of the transactions mentioned herein. Any forecasts, figures, opinions or investment techniques and strategies set out are for information purposes only, based on certain assumptions and current market conditions and are subject to change without prior notice. All information presented herein is considered to be accurate at the time of writing. This material does not contain sufficient information to support an investment decision and it should not be relied upon by you in evaluating the merits of investing in any securities or products. In addition, users should make an independent assessment of the legal, regulatory, tax, credit and accounting implications and determine, together with their own professional advisers, if any investment mentioned herein is believed to be suitable to their personal goals. Investors should ensure that they obtain all available relevant information before making any investment. It should be noted that investment involves risks, the value of investments and the income from them may fluctuate in accordance with market conditions and taxation agreements and investors may not get back the full amount invested. Both past performance and yield are not a reliable indicator of current and future results.
