# Statement of the Authorised Corporate Director, (“ACD”), JPMorgan Funds Limited

## Account of the Fund’s Termination

This is the Termination Account for the JPM Institutional Asia Fund (the “Fund”), a sub-fund of JPMorgan Fund ICVC, which has been sent to you as you were a shareholder in the Fund as at 14 March 2017.

On 6 March 2017 the Board took the decision to terminate the Fund on the basis of limited prospects of attracting new subscriptions. Shareholders were written to on 14 March and then on 25 May 2017. On 8 June 2017 the termination took place, and there was a transfer of assets in specie to one shareholder and cash settlements to other shareholders. These were effective on 13 June 2018.

The enclosed Termination Account reflects the final position of the Fund as at 17 May 2018 and confirms that no additional proceeds are payable to shareholders.

JPMF is authorised and regulated by the FCA and is required to comply with the Collective

Investment Schemes Sourcebook (COLL). Under COLL the ACD is required to prepare a Termination Account which shows how the termination has been conducted.

In preparing the Termination Account the ACD is required to:

- As soon as is practically possible after commencement of the termination process, dispose of the sub-fund property and meet any liabilities from the proceeds of such disposal.
- Instruct the Depositary as to how to hold such proceeds with a view to prudent protection of creditors and shareholders against loss.
- Once the termination process is completed, prepare and sign a Termination Account showing how the termination has been conducted and how the sub-fund’s property has been disposed of. The Termination Account must state the date on which the sub-fund’s affairs were terminated and this date must be regarded as the final day of the accounting period for that sub-fund.

- Ensure that the auditors make a report in respect of the Termination Account which states the auditor’s opinion on whether the Termination Account has been properly prepared in line with Regulations contained in COLL.

- On or before the date the Termination Account is sent to shareholders to arrange for all shares in issue to be cancelled and for the Depositary to make a final distribution to shareholders.

- Within four months of the date of completion of termination, send a copy of the Termination Account and the auditor’s report on it to the FCA and to each person who was a shareholder (or first named of joint shareholders) immediately before the termination commenced.

- Notify the FCA on completion of the termination to revoke the authorisation order.

If you have any questions regarding the Termination Account of the Fund, please use the contact details on the last page of this document.
