Opening a new account

- Please call the Client Services team to request a new account to be opened. You will need to submit the following documentation:
 - Completed original account application form
 - Original or certified copy of a list of authorised individuals on company letterhead
 - Appropriate Anti-Money Laundering (AML) and Know Your Client (KYC) documentation in accordance with regulatory policy
- Your account will be set up as soon as we have received and verified your documentation.
- Please note that redemption proceeds cannot be paid until the original or certified copies of the above documentation is received.

Transacting in the fund

- You can deal in the funds by faxing a completed Liquidity Fund accumulating or distributing transaction form or a Managed Reserves Fund transaction form to the Client Services team or through our J.P. Morgan Global Cash Portal, SWIFT or FTP file exchange.
- Trades placed and accepted before the fund's trading deadline will be processed the same day.
- To purchase or redeem fund shares by phone in EMEA, call +352 3410 3636 with the following information: account name, account number, fund name and share class, amount of order and trade date.
- Please note that it is not possible to purchase or redeem fund shares by phone in Asia Pacific. Please fax your transaction form to +852 2800 4676 or execute your trade online via the J.P. Morgan Global Cash Portal.

Placing a purchase

- Trades must be placed before the fund's trading deadline. Please know your fund name, account number and the exact amount of the trade.
- You are advised to place trades as early in the day as possible and to provide J.P. Morgan with advance notice of large trades.

Redeeming fund shares

- If your order is accepted before the cut-off time, proceeds will be transferred that same business day in the time zone of the currency's home country.
- All redemption proceeds will be paid on settlement date to the bank account(s) designated on your application form.
- Any changes to your payment instructions for redemptions must be requested in writing and signed by authorised signatories. For your added security, call backs to additional authorised persons may be performed to confirm such changes before proceeds are paid out. Please call +352 3410 3636 in EMEA or +852 2800 2792 in Asia Pacific if you wish to make any other changes to your account.

- Please be aware that the bank account receiving the redemption payment must be in the same name as the fund account holder as we are not allowed to make third party payments.

Placing a pre-advice call

- Pre-advice calls assist the JPM portfolio managers with managing large inflows/outflows within the fund, thus providing protection for all shareholders against unexpected flows. Whenever possible, it is requested that you provide notice as soon as possible.
- To place a pre-advice call, contact your Client Adviser. Your Client Adviser will relay this information to the appropriate group.
- This information should include the name of your organisation, approximate amount of the purchase or redemption and the length of the investment, if appropriate.

Additional services

- If you have a JPMorgan Chase Bank account held in London, Frankfurt or New York, you are able to take advantage of our automated debiting functionality. With this feature added to your account, subscriptions placed into your J.P. Morgan Fund account will automatically debit your JPMorgan Chase Bank account, saving you an additional step. EMEA clients who do not have a J.P. Morgan bank account may still be able to take advantage of our [direct debit](#) service.
- To request more information on our automated debiting or statement services, please contact J.P. Morgan Global Liquidity Client Services at +352 3410 3636 in EMEA or +852 2800 2792 in Asia Pacific.
- You can elect to receive your contract notes and monthly statements by email or access them online via the J.P. Morgan Global Cash Portal.
- The J.P. Morgan Global Cash Portal allows online transacting and viewing of account balances and intra-day trade confirmations. If you would like to request access, please contact your relevant Client Services team.
- Asia Pacific clients who would like to benefit from an early payment service for US Dollar, Euro and Sterling, please submit your redemption by 13:00 (Hong Kong time). Your correspondent bank will receive an 'early MT103' advice from J.P. Morgan Asset Management. Normally, this allows your bank to apply our payment during Asia Pacific business hours in time for an onward transfer same day, if required.
