New Annuity Essentials to use throughout the year

The Annuity Advantage

Learn about Dr. David Kelly's research on how annuities can increase retirement income and reduce longevity risks, especially as long-term return expectations decline.

Annuities: An Essential Slice of the Retirement Pie

Discover how annuities can help solve common retirement challenges now facing advisors and investors in the context of portfolio construction.

Annuities Improve Outcomes

Use our latest research to identify client profiles most likely to benefit from annuities and illustrate the positive impacts of insured retirement solutions.

Capitalizing on the Tax Deferral Advantage of a Variable Annuity

Demonstrate the importance of tax awareness for clients focused on growing their retirement assets over the long-term.
