

The Fund is a closed-end exchange traded management Investment company. This material is presented only to provide information and is not intended for trading purposes. Closed-end funds, unlike open-end funds are not continuously offered. After the initial public offering, shares are sold on the open market through a stock exchange. Changes to investment policies, current management fees, and other matters of interest to investors may be found in each closed-end fund's most recent report to shareholders. Holdings are subject to change daily.

The Fund is a closed-end exchange traded management Investment company. This material is presented only to provide information and is not intended for trading purposes. Closed-end funds, unlike open-end funds are not continuously offered. After the initial public offering, shares are sold on the open market through a stock exchange. Changes to investment policies, current management fees, and other matters of interest to investors may be found in each closed-end fund's most recent report to shareholders. Holdings are subject to change daily.

PORTFOLIO HOLDINGS FOR THE KOREA FUND
as of 31 July 2025

*Note: Cash (including for these purposes cash equivalents) is not included.
