

Authorized Signers

The authorized individuals provided will have the authority to open and operate on the accounts listed. In addition, certain requests require voice confirmation prior to implementation. This authorization list will be used to facilitate the verification process if required. This document supersedes all previous Authorization Lists.

Please list all JPMorgan Global Liquidity account numbers covered by the Authorization List. If an account number is unavailable, please provide the applicable tax identification number(s). If you are unable to provide an account number or tax identification number, please contact your Account Manager for assistance prior to completing this form. You may provide an attachment if the space provided is insufficient:
