1 By checking this box, I authorize JPMII to issue instructions ("payment orders") to transfer funds from the investor's demand deposit account at JPMorgan Chase Bank, N.A. ("JPMCB") to my account with JPMII in accordance with the information set forth on this Application. I represent and warrant that this authorization has been duly approved by the board of directors, or equivalent, of the registered owner of the account (or by an officer to whom the requisite authority has been delegated by the board of directors or equivalent) and continues in full force and effect. I acknowledge and understand that JPMCB may debit the JPMCB account for the amount of each payment order issued by JPMII on my behalf on the date such order is executed by JPMCB. This authorization shall remain in full force and effect until JPMCB and JPMII receive written notice of its revocation or termination. This authorization shall be governed by and construed in accordance with the laws of the State of New York.

10. Signature Authorization & Certification

By signing this application, the authorized representative of the registered owner certifies on behalf of the registered owner that:

1. I have full right, power and authority to make the investment applied for pursuant to this application and that the individuals signing on my behalf are duly authorized to sign this application, to purchase and redeem Fund shares on my behalf and to change bank wiring instructions and account information (with the proper documentation). I have received and read the current prospectus for each Fund in which I am investing and this application and agree to be bound by the terms of each of the Funds registration statement as supplemented or amended by filings with the Securities and Exchange Commission, including, but not limited to, terms concerning placement of orders and payments for purchases.
2. I acknowledge that the Funds are authorized to accept any instruction from JPMII provided by me to JPMII. Confirmations of orders and statements of my account(s) shall be conclusive unless I object in writing within ten days after transmittal to me.
3. I agree that neither any Fund nor JPMII will be liable for any loss, cost, expense or other liability arising out of any instructions transmitted by telephone, electronically, in writing or by any other means believed by it to be genuine and in accordance with the procedures described in the Fund's prospectus. Neither any Fund nor JPMII will be liable for the fraudulent use of the signature specified by the application or other authorized document, whether such signature be authentic or forged nor for any instructions purportedly from you which are fraudulent, signed or otherwise.
4. I understand that I automatically have the ability to give instructions by telephone to exchange shares between identically registered Fund accounts and/or redeem shares and transfer the proceeds to the bank account(s) designated on this document or to my address of record. The Funds and JPMII use reasonable procedures to confirm that instructions given by telephone are genuine. These procedures include recording telephone instructions and asking for account identification. In addition, if I have chosen on-line access to my Fund account(s), I can give such instructions electronically. Neither any Fund nor JPMII will be responsible for any loss, liability, cost or expense of acting upon unauthorized or fraudulent instructions, and I will bear risk of the loss.
5. If any authorized person ceases to have authority to act on my behalf, I will immediately notify JPMII. I acknowledge and agree that neither any Fund nor JPMII, nor any of their respective agents or employees will be liable for any loss, liability, cost or expense arising from my failure to provide such notification or from acting on instructions they believe to be genuine.
6. I agree that in no event shall any Fund or JPMII be liable for any indirect or consequential damages even if advised of such damages or for loss caused directly or indirectly by war, natural disasters, acts of terrorism, government restrictions or other conditions beyond their control
7. I confirm that the amounts to be invested in my Fund account(s) DO NOT include proceeds from a municipal securities issuance or transaction as defined in the Municipal Advisor Rule. If I am unable to confirm this, I will speak with my JP Morgan representative so the account may be coded appropriately.
8. I understand that this application serves as my account agreement with JPMII, who will serve as the broker-dealer of record on my Fund account(s), as well as my application to open my Fund account(s) which will hold my shares of the Funds. JPMII and/or the Funds may at any time, without prior notice, terminate my account(s) with the Funds.
9. Investments in the Funds are not bank deposits and are not guaranteed by the FDIC or any other government agency, nor are they obligations of or guaranteed by JPMorgan Chase, N.A., or any of its affiliates. Investments in mutual funds, including money market funds, involve risk including possible loss of the principal amount invested.
10. It is an Institutional Account as defined in FINRA Rule 4512(c); it is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities; it will exercise independent judgment in evaluating the recommendations of JPMII and its associated persons, unless it has otherwise notified JPMII in writing; and it will notify JPMII if any of the aforementioned representations ceases to be true. The representations made in this provision shall apply with respect to all recommended transactions and investment strategies involving securities that are entered into by the registered owner, whether for the account of the registered owner or for the account of any beneficial owner that has delegated decision making authority to the registered owner.

Please Read the Pre-Dispute Arbitration Agreement Below. This agreement contains a predispute arbitration clause. By signing an arbitration agreement the parties agree as follows:

1. All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
2. Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
3. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
4. The arbitrators do not have to explain the reason(s) for their award.
5. The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
6. The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
7. The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

I agree that all controversies that may arise between me and JPMII or any of its agents and/or employees, concerning any order or transaction, or the continuation, performance or breach of this or any other agreement between me and JPMII, whether entered into before, on, or after the date my Fund account is opened, shall be settled by arbitration conducted pursuant to the Federal Arbitration Act and the laws of the State of New York, before FINRA. I may also designate the American Arbitration Association or any other industry forum only to the extent expressly provided as an alternative under the securities laws of my state of residence. If I do not notify JPMII in writing of my designation within five (5) business days after it receives from me a written demand for arbitration, then I authorize JPMII to make such designation on my behalf. I understand that judgment upon any arbitration award is final, and may be entered in any court of competent jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

10. Signature Authorization & Certification Cont'd

By signing below, I hereby certify, to the best of my knowledge, that the information provided in this application is complete and correct.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
