

28 May 2024

Dear Investor,

### Change of settlement cycle

As manager of the following funds currently listed on the ASX (together, the “Funds”), we are writing to inform you that effective from 28 May 2024 (the “Effective Date”), the settlement cycle for these Funds will change from two Business Days after the relevant Dealing Day (T+2) to one Business Day after the relevant Dealing Day (T+1). This change is being made in order to align the settlement day with the settlement time of the underlying securities in US and only applies to the creation of units on the primary market by Authorised Participants. Investors trading on the secondary market will not be affected by this settlement cycle update.
