JPMorgan Funds (Asia) Limited ("JPMFAL") is licensed by the Hong Kong Securities and Futures Commission and acts as manager, or as agent for the relevant manager, for each fund. All of the funds distributed by JPMFAL are managed by JPMFAL, other associated entities within the JPMorgan Chase & Co. group, and/or other entities in which the JPMorgan Chase & Co. group holds interests. In distributing these funds, JPMFAL is NOT an independent intermediary because:

1. JPMFAL is, or has close links or other legal or economic relationships with, the issuers of the funds that it may distribute to you; and
2. With respect to the funds for which entities other than JPMFAL act as manager,
 - (a) JPMFAL receive fees, commissions, or other monetary or non-monetary benefits from other parties (which may include the fund issuers) in relation to the distribution of the funds to you, as further detailed below; and
 - (b) JPMFAL may act as the Hong Kong Representative of the funds, and may receive remuneration from the fund issuers for acting in such capacity.

For JPMorgan SAR Funds, JPMFAL is appointed as the registrar and transfer agent by the trustee of the funds, and processes subscription payments and redemption proceeds on behalf of the trustee.

I/We understand that all investment involves risk and that the decision to invest is mine/ours. I/We have read and understood the relevant Offering Documents and Sales Disclosure Information for the chosen investment and the associated risk factors. I/We confirm that I/we consider the above investment is suitable for me/us and is consistent with my/our investment objectives, even though my/our resulting portfolio risk may be greater than my/our risk preference (where applicable, as indicated on my/our latest financial health check). In particular, I/we understand that investment in a currency hedged share class poses additional risks especially where my/our base currency of investment does not match the relevant currency of the hedged share class. I/We understand that any conversion of my/our base currency of investment to invest in a currency hedged share class may lead to additional exposure to currency exchange rate risks and greater losses. I/We have sought independent financial advice where necessary.
