Dear Investor,

### **JPMorgan Funds - Euroland Equity Fund**

We are writing to inform you that JPMorgan Funds - Euroland Select Equity Fund<sup>1</sup>, JPMorgan Funds - France Equity Fund<sup>1</sup> and JPMorgan Funds - Germany Equity Fund<sup>1</sup> (collectively, the “Merging Sub-Funds”) will be merged into JPMorgan Funds - Euroland Equity Fund (the “Receiving Sub-Fund”), a sub-fund in which you invest, on 9 February 2018 (the “Merger Date”). The Board of Directors of JPMorgan Funds (the “Fund”) believes the Merging Sub-Funds have limited prospects for growth. These mergers will not have a negative effect on the value, costs, or performance of your investment.

A set of Q&A document in relation to the merger is available on [www.jpmmorganam.com.hk](http://www.jpmmorganam.com.hk)<sup>2</sup>.

In connection with the merger of the JPMorgan Funds - France Equity Fund<sup>1</sup> into the Receiving Sub-Fund, the investment policy of Receiving Sub-Fund has been amended to clarify that the Receiving Sub-Fund will invest at least 75% of its net assets in equity securities (excluding convertible securities, index and participation notes and equity linked notes) of companies domiciled in countries which are part of the Euro-zone (instead of 67% of the Sub-Fund’s assets (excluding cash and cash equivalents) previously) to meet the requirements for the French PEA (“Plan d’Épargne en Actions”) tax wrapper. In addition, the Receiving Sub-Fund will no longer have the ability to use securities lending. The Hong Kong Offering Documents of the Fund dated November 2016, as amended from time to time (“Offering Document”), will be amended to reflect these changes. Details of such amendments are set out in Appendix I attached hereto. The changes do not change the risk profile of the Receiving Sub-Fund and the way the Receiving Sub-Fund is managed.

On the Merger Date, the assets of the Merging Sub-Funds will be transferred into the Receiving Sub-Fund. The merger will increase the assets under management of the Receiving Sub-Fund. There will be no rebalancing of the Receiving Sub-Fund and no costs associated with the merger will be borne by the Receiving Sub-Fund. When the merger transaction occurs, all the assets, liabilities and any accrued income in the Merging Sub-Funds will be transferred to the Receiving Sub-Fund, and the Merging Sub-Funds will cease to exist.

**You do not need to take any action.** However, if, as a consequence of the above changes, you wish to redeem your shares, or switch your holding in the Receiving Sub-Fund into any other
