10 February 2020

Dear Investor,

JPMorgan Funds (SICAV Range)

With effect from the date of this letter, the disclosures in relation to the benchmark in the section entitled “Additional Information” of each Sub-Fund in the Offering Document has been updated.

The update is in response to the revised Q&A released by the European Securities and Markets Authority (“ESMA”) in March 2019 on the application of the UCITS Directive, which clarifies benchmark and past performance disclosure obligations for UCITS. As a result, the disclosures in relation to the benchmark under the section entitled “Additional information” of each Sub-Fund in the Offering Document has been enhanced to provide greater transparency on the degree to which the Sub-Fund may resemble its benchmark.

The current offering documents of the Fund and the Sub-Funds are available free of charge upon request during normal working hours at the registered office of JPMorgan Funds (Asia) Limited¹, and on our website am.jpmorgan.com/hk². The updated Offering Document reflecting the above changes is available from the date of this letter.

The Management Company of the Fund accepts responsibility for the accuracy of the content of this letter.
