Dear Investor,

JPMorgan Funds (SICAV Range)

We are writing to inform you of certain changes to the sub-funds of the Fund.

1. Update in relation to the environmental, social and governance (“ESG”) approach of certain sub-funds of the Fund

The investment policies of the following sub-funds have been updated to provide that the ESG approach of such sub-funds is “ESG Promote”:

- JPMorgan Funds - US Growth Fund
 - JPMorgan Funds - US Technology Fund
 - JPMorgan Funds - US Value Fund
- (each a “**Relevant Sub-Fund**”, collectively the “**Relevant Sub-Funds**”)

The Relevant Sub-Funds, which promote ESG characteristics, have specific binding criteria for company selection. The investment policies of the Relevant Sub-Funds have been amended to provide that at least 51% of each Relevant Sub-Fund’s assets (excluding cash and cash equivalents) will be invested in companies with positive environmental and/or social characteristics that follow good governance practices as measured through the Investment Manager’s proprietary ESG scoring methodology and/or third party data. The Investment Manager evaluates and applies values and norms based screening to implement exclusions. To support this screening, it relies on third party provider(s) who identify a company’s participation in or the revenue which they derive from activities that are inconsistent with the values and norms based screens.

Please refer to the sub-section entitled “3.8.2 ESG Promote” under the section entitled “3.8 Environmental, Social and Governance” in the Offering Document for details.

2. Updates in relation to ESG Integration

For the sub-funds which adopt ESG Integration, the Management Company considers the adverse sustainability impacts of investment decisions on sustainability factors in accordance with the EU Sustainable Finance Disclosure Regulation. A statement on due diligence policies with respect to those impacts is available from the Hong Kong Representative and at the

website www.jpmorgan.com/hk/am/¹. The Offering Document has been updated to reflect the above.

3. Updates in relation to EU Benchmarks Regulation

The EU Benchmarks Regulation is applicable to sub-funds which use a benchmark to calculate a performance fee, or where a benchmark typically limits the Investment Manager's discretion or is used as the basis for portfolio construction or as part of an enhanced index strategy. Disclosures in relation to Benchmark Regulations (e.g. status of benchmark administrators, the Management Company's benchmark selection procedures, etc.) have been inserted into the Offering Document. Please refer to the Offering Document for further details.

The revised offering documents of the Fund and the sub-funds reflecting the above amendments are available free of charge upon request during normal working hours at the registered office of JPMorgan Funds (Asia) Limited², and on our website www.jpmorgan.com/hk/am/¹.
