Dear Investor,

### **Notice on the Suspension of Dealing for JPMorgan Funds – Russia Fund and JPMorgan Funds – Emerging Europe Equity Fund (collectively the “Sub-Funds”)**

Due to the escalating conflict between Russia and Ukraine, normal market trading conditions have been significantly impaired, which in the view of the Management Company constitutes an emergency as a result of which disposal and valuation of investments of the Sub-Funds is impracticable. In order to protect the interests of existing Shareholders, notice is hereby given that, in accordance with the terms of the Sub-Funds’ Offering Document and constitutive documents and following agreement with the Sub-Funds’ Depositary, the Management Company of the Sub-Funds has decided that it is in the best interests of the Shareholders to suspend all dealing in the Shares of the Sub-Funds for orders received after the dealing cut-off time of 17:00 (Hong Kong time) on 25 February 2022 (Friday) until further notice.

During the suspension period, you will not be able to subscribe, redeem or switch any shares of the Sub-Funds, and all subscription requests and switch-in requests<sup>1</sup> received after the dealing cut-off time of 17:00 (Hong Kong time) on 25 February 2022 (Friday) will be rejected. However, the Sub-Funds will continue to receive and hold redemption and switch-out requests (submitted via applicable channels), which, unless withdrawn during the suspension, will be dealt with immediately upon resumption of dealing, subject to the usual redemption restrictions and pricing process as set out in the Sub-Funds’ Offering Document.

Although you will not be able to subscribe, redeem or switch any Shares in the Sub-Funds during the suspension period, you will continue to receive statements and updates.

---

<sup>1</sup> Please note that once your requests to switch into the Sub-Funds are rejected, your holdings in the original fund under such switch-in requests will not be redeemed. If you would like to redeem your holdings in the original fund or switch such holding to other funds, you will have to submit a separate request again.

For dealings that are not made through JPMorgan Funds (Asia) Limited, the dealing cut-off time and detailed process in handling dealing suspensions implemented by each distributor may be different. Please consult your bank or financial advisor if you have any questions regarding your orders.

Unfortunately, we are unable to say how long the Sub-Funds will be suspended for, and we will continue to provide update as and when applicable.

We understand that being unable to deal in the Sub-Funds is frustrating and the Management Company will take the decision to lift this temporary suspension as soon as it considers it is in the best interests of existing Shareholders to do so.

Please be reassured that the suspension of the Sub-Funds has no direct impact on any other investments you may have with J.P. Morgan Asset Management.

The Management Company of the Fund accepts responsibility for the accuracy of the content of this notice.

We thank you for your patience and understanding during this challenging period. If you have any questions regarding the contents of this notice or any other aspect of the Sub-Funds, please do not hesitate to contact:
