
JPMORGAN FUNDS - ASIA GROWTH FUND
JPMORGAN FUNDS - EMERGING MARKETS SUSTAINABLE EQUITY FUND

With effect from 12th May 2021, the investment policies for the above Sub-Funds have been amended to allow investment up to 20% in China A-Shares through the China-Hong Kong Stock Connect Programmes.

This provides investors increased clarity on their potential exposure to China A-Shares in the Sub-Funds. The onshore China market is growing in prominence in emerging and global indices and provides a significant and growing investment opportunity.

This change will not materially affect the risk profile of the Sub-Funds.

The Singapore Offering Documents will be updated at the next available opportunity to reflect the change.

If you have any questions about this change or any other aspect of JPMorgan Funds, please contact your bank or financial adviser. For intermediaries, please contact your J.P. Morgan representative or call our Singapore Client Service Hotline at (65) 6882 1328.
