

JPMorgan Funds – Global Corporate Bond Fund – Investment Policy Change

With effect from 29th July 2020, the investment policy for the JPMorgan Funds – Global Corporate Bond Fund (the “Sub-Fund”) has been amended to remove a restriction to invest in global debt securities issued by local governments, and to allow investment in these types of assets up to 5%. This change will broaden the investment universe of the Sub-Fund, permitting the Investment Manager to take advantage of any investment opportunities in debt securities issued by local governments globally.

This change will not materially affect how the Sub-Fund is currently managed or its risk profile.

The Singapore Offering Documents will be updated at the next available opportunity to reflect the change.

If you have any questions about this change or any other aspect of JPMorgan Funds, please contact your bank or financial adviser. For intermediaries, please contact your J.P. Morgan representative or call our Singapore Client Service Hotline at (65) 6882 1328.
