## Sub-fund merger – option to take action ends 22<sup>nd</sup> March 2024 at 14.30 CET

**Reason for merger** The Board believes that the Merging Sub-Fund has limited prospects for growth in the future and it would be in the shareholders' interests to merge the Merging Sub-Fund into the Receiving Sub-Fund which has stronger growth potential. The Receiving Sub-Fund is a substantially larger fund with a more diversified strategy which should offer better prospects for growth. This growth can lead to economies of scale with the potential for lower fund expenses.
