Effective date 12 May 2021

With effect from 12 May 2021, the investment policies for the above Sub-Funds have been amended to allow investment up to 20% in China A-Shares through the China-Hong Kong Stock Connect Programmes.

This provides investors increased clarity on their potential exposure to China A-Shares in the Sub-Funds. The onshore China market is growing in prominence in emerging and global indices and provides a significant and growing investment opportunity.

This change will not materially affect the risk profile of the Sub-Funds.
