

# A Message from Your Fund's Board

Dear Shareholder,

This is to notify you that the JPMorgan Funds - Financials Bond Fund (the “**Merging Sub-Fund**”) in which you own shares will be merged into the JPMorgan Funds - Global Corporate Bond Fund (the “**Receiving Sub-Fund**”).

**The reason for the merger and your three options are explained below.** Please take a moment to review the important information below. More detailed information, including rationale and timing, appears on the following pages. If you still have questions, please contact us at the registered office or your local representative.

Jacques Elvinger *For and on behalf of the Board*

## Sub-fund merger – option to take action ends 19th March 2024 at 14.30 CET

**Reason for merger** The Board believes that the Merging Sub-Fund has limited prospects for growth in the future and it would be in the shareholders' interests to merge it into the Receiving Sub-Fund which has stronger growth potential. The Receiving Sub-Fund is a substantially larger fund with a more diversified strategy which should offer better prospects for growth. This growth can lead to economies of scale with the potential for lower fund expenses.

### YOUR OPTIONS

- 1 Take no action. Your shares will automatically be exchanged for shares of the Receiving Sub-Fund.** Any shares of the Merging Sub-Fund that you still own after the deadline will be exchanged for shares of the Receiving Sub-Fund.
- 2 Switch your investment to another Sub-Fund.** We must receive your dealing instructions by the deadline shown in the right-hand column. Be sure to read the Key Information Document (KID) for any Sub-Fund you are considering switching into, and for further information, the prospectus of the Fund.
- 3 Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.

## Merger timeline and impact

This section outlines key information relating to the merger. Further information is contained in the detailed Sub-Fund comparison that follows as well as in the relevant prospectus and KIDs. **We advise you to read carefully the KID of the Receiving Sub-Fund, which is enclosed with this letter.**

### Key Dates

When the merger transaction occurs, all assets, liabilities and any income in the Merging Sub-Fund will be transferred to the Receiving Sub-Fund, and the Merging Sub-Fund will cease to exist.

All shares remaining in the Merging Sub-Fund at the merger date are exchanged free of charge for shares in the equivalent share class of the Receiving Sub-Fund.

The exchange ratio used to determine the number of shares to be allocated in the Receiving Sub-Fund is calculated by dividing the respective net asset value per share of each share class in the Merging Sub-Fund by the net asset value per share of the share class of the Receiving Sub-Fund, both exceptionally rounded to 6 decimal places for the purposes of the merger. The exchange ratio is rounded to 7 decimal places. The calculation of the exchange ratio will be validated and documented in the merger report prepared by the Fund's auditors (PricewaterhouseCoopers, société coopérative, Luxembourg) that will be available to you upon request.

The total value of the shares you own in the Merging Sub-Fund and the new shares you receive in the Receiving Sub-Fund will be the same, subject to rounding adjustments, but you may receive a different number of shares.

## Impact

### Key differences in investment policy between your Sub-Fund and the Receiving Sub-Fund

- The Receiving Sub-Fund invests primarily in investment grade corporate debt securities, whereas the Merging fund invests primarily in senior and subordinated debt securities issued by companies from the financial, banking and insurance sectors.
- The Merging Sub-Fund's base currency is EUR and the Receiving Sub-Fund's base currency is USD, however you will receive shares in the Receiving Sub-Fund that are valued in the same currency as your current share class in the Merging Sub-Fund and hedged where applicable.

### Potential benefits

- Shareholders will benefit from a broader investment strategy offering greater diversification benefits, such as diversifying market specific risks.
- Shareholders of the Merging Sub-Fund will benefit from investing in a sub-fund with better prospects for stronger growth in assets in the future.

### Potential drawbacks

- One-time expenses associated with transaction costs will be borne by the Merging Sub-Fund, due to the rebalancing outlined below in 'other considerations'.
- On the merger date, and during the two business days before that, investors will not be able to subscribe for, switch or redeem shares in the Merging Sub-Fund or switch shares from other Sub-Funds into the Merging Sub-Fund.

**Other considerations**

- The Merging Sub-Fund will not bear any additional legal, advisory or administrative costs associated with the merger, which will be borne by the Management Company.
- While there is some overlap of assets between the Merging Sub-Fund and the Receiving Sub-Fund, there is a portion of the Merging Sub-Fund's portfolio which does not resemble that of the Receiving Sub-Fund. Therefore rebalancing of the assets in the Merging Sub-Fund will be required in preparation for the merger. All or part of the Merging Sub-Fund's assets may be held in cash for a short period in preparation for the merger, resulting in the Merging Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected that such portfolio rebalancing will commence no earlier than 10 business days prior to the merger date.
- Performance information for the Merging Sub-Fund and Receiving Sub-Fund can be found in the relevant factsheet which is available from the document library at [www.jpmorganassetmanagement.lu](http://www.jpmorganassetmanagement.lu).
- On 22<sup>nd</sup> January 2024, the Merging Sub-Fund will be 'soft closed' meaning new investors will not be able to subscribe for, switch or redeem shares in the Merging Sub-Fund. Only existing shareholders of the Merging Sub-Fund will be able to subscribe for, switch or redeem shares in the Merging Sub-Fund up until 19<sup>th</sup> March 2024.
