

JPMorgan Funds & JPMorgan Investment Funds – Clarification of Investment Approach language for certain Sub-Funds

Effective date 12 May 2021

The prospectuses of JPMorgan Funds and JPMorgan Investment Funds have been updated to clarify the Investment Approach language of the Sub-Funds set out in the Appendix below.

The clarifications reflect the evolution of the investment process and provide more clarity for investors. The Investment Manager has consolidated its quantitative and fundamental resources across different teams. It is therefore more accurate to distinguish the Sub-Funds by strategy, style, risk and market cap.

These updates reflect how the Sub-Funds are currently being managed and do not affect their risk profiles.

Should you have any questions about this update or any other aspect of JPMorgan Funds or JPMorgan Investment Funds, please contact the Registered Office or your usual local representative.
