In the event that the Sub-Fund's assets under management reduce to a level whereby the Investment Manager can no longer continue to pursue the investment objective and policy of the Sub-Fund, the portfolio may need to be moved to cash/cash equivalents. In this case, the Board may liquidate the Sub-Fund, as soon as practicable, before the 30 September 2021 in order to protect the best interests of the remaining shareholders. Shareholders will be notified on the News and Fund Announcements page at jpmorganassetmanagement.lu, should the Board take this decision.

You may want to review these options with your tax adviser and your financial adviser. All options could have tax consequences.

Regardless of which option you choose, you will not be charged any redemption or switch fees.

The KIID, prospectus and most recent financial reports are available at jpmorganassetmanagement.lu or from the registered office.

Your sub-fund will bear securities transaction costs only; all other costs associated with the liquidation will be paid by the management company. To help ensure an orderly and efficient liquidation process, your sub-fund may begin liquidating holdings in the period leading up to the liquidation date.
