

A Message from Your Fund's Board

Dear Shareholder,

This is to notify you that the JPMorgan Funds – Multi-Manager Sustainable Long-Short Fund (“Merging Sub-Fund”) in which you own shares will be merged into the JPMorgan Funds – Multi-Manager Alternatives Fund (“Receiving Sub-Fund”).

The reason for the merger and your three options are explained below. Please take a moment to review the important information below. If you still have questions, please contact us at the registered office or your local representative.

Jacques Elvinger *For and on behalf of the Board*

Sub-fund merger – option to take action ends 14 June 2022 at 14.30 CET

Reason for merger The Board believes that the Merging Sub-Fund has limited prospects for growth in the future and it would be in the shareholders' interests to merge it into the larger Receiving Sub-Fund which has stronger growth potential.

The Receiving Sub-Fund is a substantially larger multi-manager fund with a similar line up of sub-investment managers and a more diversified strategy which should offer better prospects for growth. This growth can lead to economies of scale with the potential for lower fund expenses.

YOUR OPTIONS

- 1 Take no action. Your shares will automatically be exchanged for shares of the Receiving Sub-Fund.** Any shares of your Sub-Fund that you still own after the deadline will be exchanged for shares of the Receiving Sub-Fund.
- 2 Redeem your investment and subscribe to another Sub-Fund.** As direct switching is not permitted for your Sub-Fund, you will need to redeem your investment first before placing a subscription if you wish to subscribe to another Sub-Fund. We must receive your redemption instructions by the deadline shown in the right-hand column. Be sure to read the Key Investor Information Document (KIID) for any Sub-Fund you are considering subscribing to, and for further information, the prospectus.
- 3 Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.

You may want to review these options with your tax adviser and your financial adviser. All options may have tax consequences.

German Shareholders: *The merger is intended to be tax neutral in accordance with article 23 of the German Investment Tax Act.*

A merger statement will be mailed to you within 10 days of the merger date. Additional information, including the Fund auditor's merger report, KIID, prospectus and most recent financial reports of both Sub-Funds are available at www.jpmorganassetmanagement.lu or from the registered office. An electronic copy of this notice is available on the website: www.jpmorganassetmanagement.lu.

Merger timeline and impact

This section outlines key information relating to the merger. Further information is contained in the detailed Sub-Fund comparison that follows as well as in the relevant prospectus and KIIDs. We advise you to read carefully the KIID of the Receiving Sub-Fund, which is enclosed with this letter.

Key Dates

When the merger transaction occurs, all assets, liabilities and any income in your Sub-Fund will be transferred to the Receiving Sub-Fund, and your Sub-Fund will cease to exist.

All shares remaining in your Sub-Fund at the merger date are exchanged free of charge for shares in the equivalent share class of the Receiving Sub-Fund. The exchange ratio used to determine the number of shares to be allocated in the Receiving Sub-Fund is calculated by dividing the respective net asset value per share of each share class in your Sub-Fund by the net asset value per share of the share class of the Receiving Sub-Fund, both exceptionally rounded to 6 decimal places for the purposes of the merger. The exchange ratio is rounded to 7 decimal places. The calculation of the exchange ratio will be validated and documented in the merger report prepared by the Fund's auditors that will be available to you upon request.

The total value of the shares you own in your Sub-Fund and the new shares you receive in the Receiving Sub-Fund will be the same, subject to rounding adjustments, but you may receive a different number of shares.

The performance fee of your Sub-Fund, if any, will be accrued until the merger date. On the merger date, the performance fee applicable to your Sub-Fund will be "crystallised" and will be paid. If the merger is delayed and does not occur before 30th June 2022, the Management Company will implement a full waiver of the sub-investment manager performance fee on all share classes of your Sub-Fund from 1st July 2022 onwards until the completion of the merger.

Impact

Key differences in investment policy between your Sub-Fund and the Receiving Sub-Fund

- Your Sub-Fund and the Receiving Sub-Fund are both categorised under Article 8 under the Sustainable Finance Disclosure Regulation (SFDR). Your Sub-Fund is 'Best-in-Class' which has stricter ESG credentials than the Receiving Sub-Fund which is 'ESG Promote'. Your Sub-Fund invests at least 67% of long positions in sustainable companies or companies that demonstrate improving sustainable characteristics, whereas the Receiving Sub-Fund invests at least 51% of long positions in companies with positive environmental and/or social characteristics that follow good governance practices.
- Your Sub-Fund implements equity-oriented long/short investment strategies while the Receiving Sub-Fund implements a diversified range of investment strategies and techniques involving merger arbitrage/event-driven, long-short equity, relative value, credit, opportunistic/macro and portfolio hedge.
- While your Sub-Fund may invest up to 5% of its assets in contingent convertible bonds, the Receiving Sub-Fund may invest up to 10% of its assets in such securities. The Receiving Sub-Fund may invest up to 15% in ABS/MBS and catastrophe bonds to a limited extent, exposing you to the associated risks.

Key differences in sub-investment manager related fees and annual management and advisory fees between your Sub-Fund and the

	Your Sub-Fund	Receiving Sub-Fund
Sub-Investment Manager Fee (max)	0.65%	1.05%
Sub-Investment Manager Performance Fee	15.00%	Nil

Receiving Sub-Fund

- The maximum sub-investment manager fee charged by your Sub-Fund is lower than the fee charged by the Receiving Sub-Fund. However, as the Receiving Sub-Fund does not charge a performance fee, fees paid by shareholders in the Receiving Sub-Fund will be capped, whereas shareholders in your Sub-Fund are subject to an unlimited performance fee in scenarios where all the sub-investment managers outperform.
 - The Receiving Sub-Fund has a lower Annual Management and Advisory Fee than your Sub-Fund.
-

Potential benefits

- The merger will give you the benefit of investing in a larger and more diversified multi-manager sub-fund that has stronger prospects for growth and may potentially benefit from economies of scale.
 - The Receiving Sub-Fund provides access to a broader range of investment strategies and techniques, resulting in a wider manager universe.
-

Potential drawbacks

- One-time expenses associated with transaction costs will be borne by your Sub-Fund.
 - On the merger date, and during the two business days before that, you will not be able to subscribe for, or redeem shares in your Sub-Fund.
-

Other considerations

- Your Sub-Fund will not bear any additional legal, advisory or administrative costs associated with the merger which will be borne by the Management Company.
 - While there is some overlap of assets between your Sub-Fund and the Receiving Sub-Fund, there is a portion of your Sub-Fund's portfolio which does not resemble that of the Receiving Sub-Fund. Therefore rebalancing of the assets in your Sub-Fund will be required in preparation for the merger. All or part of your Sub-Fund's assets may be held in cash for a short period in preparation for the merger, resulting in your Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected that such portfolio rebalancing will commence no earlier than 10 business days prior to the merger date.
 - Performance information for your Sub-Fund and the Receiving Sub-Fund can be found in the relevant KIID or factsheet which is available from the document library at www.jpmorganassetmanagement.lu.
 - The list of sub-investment managers of the Receiving Sub-Fund can be found on the website: www.jpmorganassetmanagement.lu.
-

Sub-fund comparison

This table compares the relevant information for your Sub-Fund with that of the Receiving Sub-Fund. Unless stated otherwise, terms in this table have the same meaning as in the relevant prospectus.

- **Information that appears in a box** is information that is particular to the sub-fund named at the top of that column.
- **Information that crosses both columns** is information that is the same for both sub-funds.
