Important information

Unclear dealing instructions

- Instructions we consider unclear (including when the Share Class of a Fund was not specified) may lead to a delay in their execution or rejection. Such instructions will only be executed once they have been verified and confirmed and our processing procedure has been completed to our satisfaction. Please note that we will not be liable for any losses or lost opportunities which may result from delays or rejection that arise from unclear instructions.

Non-Receipt of Cleared Payment

- Normally, Shares are issued upon acceptance of dealing instructions and cleared payment for the shares must be received from you by the Settlement Date (as set out in the fund's prospectus). If we (JPMorgan Funds Limited) do not receive full payment from you by the Settlement Date, or if prior to the Settlement Date we become aware of any reason why, in our opinion, full and timely payment will not be received we have the right to cancel (redeem) the Shares without prior notice to you and at your cost.

We will seek to recover any losses, including costs, remaining after any shares are cancelled. You agree to reimburse the fund for any costs, losses, claims and expenses suffered or incurred by the fund and/or us as a result of your non-payment by the Settlement Date.

Accompanying Notes for FATCA Certification

Notes – these notes do not constitute tax advice. You should obtain advice from your tax advisor if you are unclear of your tax status.

1 Tax Regulations

The term “Tax Regulations” refers to regulations created to enable automatic exchange of information and include FATCA [2] and the OECD Common Reporting Standard to facilitate automatic exchange of information.

2 FATCA

The Foreign Account Tax Compliance provisions (commonly known as FATCA) contained in the US Hire Act 2010 and any associated IGAs.

3 Financial Institution

The term “Financial Institution” means an Investment Entity, a Custodial Institution, a Depository Institution, or a Specified Insurance Company as defined for the purposes of FATCA. Please see the relevant Tax Regulations for the classification definitions that apply to Financial Institutions.

4 Exempt Beneficial Owner

The term “Exempt Beneficial Owner” means

- (i) a Governmental Entity;
- (ii) an International Organisation;
- (iii) a Central Bank;
- (iv) a UK Retirement Fund meeting the requirements of Annex II, Section II A and B of the US-UK IGA; or
- (v) any other category of Exempt Beneficial Owner under the US Regulations not covered by (i) to (iv) above.

5 Active Non-Financial Foreign Entity (NFFE)

A NFFE is any entity that is not a Financial Institution.

An Active NFFE is any NFFE that meets one of the following criteria:

- (i) Less than 50 per cent of the NFFE's gross income for the preceding calendar year or other appropriate reporting period is passive income (such as dividends, interest, royalties, annuities and rent) and less than 50 per cent of the assets held by the NFFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (ii) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity⁸ of an entity, the stock of which is traded on an established securities market;
- (iii) The NFFE is a government, a political subdivision of such government, or a public body performing a function of such government or a political subdivision thereof, or an entity wholly owned by one or more of the foregoing;
- (iv) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution. However the entity will not qualify as an Active NFFE if it functions (or holds itself out to be) an investment fund, such as a Private Equity Fund, Venture Capital Fund, Leveraged Buyout Fund or any Investment Vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes. In these circumstances the entity will be a passive NFE;
- (v) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution; provided that the NFFE shall not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFFE;
- (vi) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets, or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution; or
- (vii) The NFFE primarily engages in financing and hedging transactions with, or for Related Entities⁸ that are not Financial Institutions, and does not provide financing or hedging services to any entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution.

6 Passive Non-Financial Foreign Entity (NFFE)

A Passive NFFE is any NFFE that is not an Active NFFE⁵.

7 Controlling Persons

The term “Controlling Persons” means the natural persons who exercise control over an entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” must be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

8 Related Entity

An entity is a Related Entity of another entity if either entity controls the other entity, or two entities are under common control. For this purpose control includes direct or indirect ownership of more than 50 per cent of the vote or value in an entity.

Accompanying Notes for CRS Certification

9 CRS Tax Regulations

The term “CRS Tax Regulations” refers to regulations created to enable automatic the exchange of information of tax information proposed by the OECD often referred to as “Common Reporting Standards” and are imposed in Europe by the European Directive on Administrative Cooperation (DAC).

10 “Account Holder”

The “Account Holder” is the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a Financial Account, the trust or estate is the Account Holder, rather than the trustee or the trust's owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a Financial Account, the partnership is the Account Holder, rather than the partners in the partnership. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account, and such other person is treated as holding the account.

11 "Active NFE"

An NFE is an Active NFE if it meets any of the criteria listed below. In summary, those criteria refer to:

- active NFEs by reason of income and assets;
- publicly traded NFEs;
- Governmental Entities, International Organisations, Central Banks, or their wholly owned Entities;
- holding NFEs that are members of a nonfinancial group;
- start-up NFEs;
- NFEs that are liquidating or emerging from bankruptcy;
- treasury centres that are members of a nonfinancial group; or
- non-profit NFEs.

An entity will be classified as Active NFE if it meets any of the following criteria:

- a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- e) the NFE is not yet operating a business and has no prior operating history, (a "start-up NFE") but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- h) the NFE meets all of the following requirements (a "non-profit NFE") :
 - i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
 - ii) it is exempt from income tax in its jurisdiction of residence;
 - iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - iv) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
 - v) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organisation, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision.

Note: Certain entities (such as U.S. Territory NFFEs) may qualify for Active NFFE status under FATCA but not Active NFE status under the CRS.

12 "Control"

"Control" over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 10%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is/are identified as exercising control of the Entity through ownership interests, then under the CRS the Reportable Person is deemed to be the natural person who hold the position of senior managing official.

13 "Controlling Person(s)"

"Controlling Persons" are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust. Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, "Controlling Person(s) means persons in equivalent or similar positions.

14 "Custodial Institution"

The term "Custodial Institution" means any Entity that holds, as a substantial portion of its business, Financial Assets for the account of others. This is where the Entity's gross income attributable to the holding of Financial Assets and related financial services equals or exceeds 20% of the Entity's gross income during the shorter of: (i) the three-year period that ends on 31 December (or the final day of a non-calendar year accounting period) prior to the year in which the determination is being made; or (ii) the period during which the Entity has been in existence.

15 "Depository Institution"

The term "Depository Institution" means any Entity that accepts deposits in the ordinary course of a banking or similar business.

16 “Entity”

18 “Investment Entity”

The term “Investment Entity” includes two types of Entities:

- (i) an Entity that primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - Trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
 - Individual and collective portfolio management; or
 - Otherwise investing, administering, or managing Financial Assets or money on behalf of other persons.

Such activities or operations do not include rendering non-binding investment advice to a customer.

- (ii) “The second type of “Investment Entity” (“Investment Entity managed by another Financial Institution”) is any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets where the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity.

19 “Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution”

The term “Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution” means any Entity the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets if the Entity is (i) managed by a Financial Institution and (ii) not a Participating Jurisdiction Financial Institution.

20 “Investment Entity managed by another Financial Institution”

“An Entity is “managed by” another Entity if the managing Entity performs, either directly or through another service provider on behalf of the managed Entity, any of the activities or operations described in clause (i) above in the definition of ‘Investment Entity’.

An Entity only manages another Entity if it has discretionary authority to manage the other Entity’s assets (either in whole or part). Where an Entity is managed by a mix of Financial Institutions, NFEs or individuals, the Entity is considered to be managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or the first type of Investment Entity, if any of the managing Entities is such another Entity.

An “NFE” is any Entity that is not a Financial Institution.

23 “Participating Jurisdiction Financial Institution”

The term “Participating Jurisdiction Financial Institution means (i) any Financial Institution that is tax resident in a Participating Jurisdiction, but excludes any branch of that Financial Institution that is located outside of that jurisdiction, and (ii) any branch of a Financial Institution that is not tax resident in a Participating Jurisdiction, if that branch is located in such Participating Jurisdiction.

24 “Passive NFE”

Under the CRS a “Passive NFE” means any: (i) NFE that is not an Active NFE; and (ii) Investment Entity located in a Non-Participating Jurisdiction and managed by another Financial Institution.

25 “Related Entity”

An Entity is a “Related Entity” of another Entity if either Entity controls the other Entity, or the two Entities are under common control. For this purpose control includes direct or indirect ownership of more than 50% of the vote and value in an Entity.

26 “Reportable Account”

The term “Reportable Account” means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

27 “Reportable Jurisdiction”

A Reportable Jurisdiction is a jurisdiction with which an obligation to provide financial account information is in place.

28 “Reportable Jurisdiction Person”

A Reportable Jurisdiction Person is an Entity that is tax resident in a Reportable Jurisdiction(s) under the tax laws of such jurisdiction(s) - by reference to local laws in the country where the Entity is established, incorporated or managed. An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management is situated. As such if an Entity certifies that it has no residence for tax purposes it should complete the form stating the address of its principal office.

Dual resident Entities may rely on the tiebreaker rules contained in tax conventions (if applicable) to determine their residence for tax purposes.

29 “Reportable Person”

A “Reportable Person” is defined as a “Reportable Jurisdiction Person”, other than:

- a corporation the stock of which is regularly traded on one or more established securities markets;
- any corporation that is a Related Entity of a corporation;
- a Governmental Entity;
- an International Organisation;
- a Central Bank; or
- a Financial Institution (except for an Investment Entity described in Sub Paragraph A(6) b) of the CRS that are not Participating Jurisdiction Financial Institutions. Instead, such Investment Entities are treated as Passive NFE’s.)

30 “Resident for tax purposes”

Generally, an Entity will be resident for tax purposes in a jurisdiction if, under the laws of that jurisdiction (including tax conventions), it pays or should be paying tax therein by reason of his domicile, residence, place of management or incorporation, or any other criterion of a similar nature, and not only from sources in that jurisdiction. Dual resident Entities may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for determining their residence for tax purposes. An Entity such as a partnership, limited liability partnership or similar legal arrangement that has no residence for tax purposes shall be treated as resident in the jurisdiction in which its place of effective management is situated. A trust is treated as resident where one or more of its trustees is resident.

31 “Specified Insurance Company”
