Dear Shareholder

We are writing to inform you of our intention to close the JPM America Equity Fund, a fund of the JPMorgan Fund II ICVC, in which you own shares. The termination of the Fund is scheduled for 30th August 2019 and requires the prior approval of the Financial Conduct Authority ("FCA"), which we are seeking to obtain. If this approval is not received, you will be notified at the earliest possible time.

Please take a moment to review the important information below. If you still have questions, please contact your usual J.P. Morgan Asset Management representative or call our UK-based Investor Services team on the numbers given in the right hand column below.

You have three options that are explained below, none of which will incur any redemption or switch fees.

Andrew Lewis for and on behalf of JPMorgan Funds Limited, as Authorised Corporate Director (the "ACD")

Fund termination – option to take action ends 27th August 2019 at 12.00 noon

Reason for Termination Since the launch of the Fund in January 2014, its assets under management have not grown significantly. Following significant shareholder redemptions, the Fund's size has fallen to £12.7 million as at 24th June 2019, which is a size that is not commercially viable and we believe there is limited prospect of attracting new subscriptions in the future. We have therefore taken the decision to close the Fund.

YOUR OPTIONS

- 1 Switch your investment to another fund.** We must receive your dealing instructions by the deadline shown in the right-hand column. Be sure to read the Key Investor Information Document (KIID) for any fund you are considering switching into, and for further information, the prospectus.
- 2 Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.
- 3 Take no action and receive termination proceeds automatically.** We will make the proceeds available to you through the settlement method recorded on your account shortly after termination.

You may want to review these options with your tax adviser and your financial adviser. If your investment is held outside of a tax efficient wrapper it is likely that all three options mentioned above would result in taxable events. Your financial adviser may be able to assist you in identifying a suitable alternative option.
