Sub-Fund liquidation – option to take action ends 13 June 2019 at 14:30 CET

Reason for liquidation Due to material changes in the regulation applicable to the Italian Piano Individuale di Risparmio a lungo termine (PIR) that limit the Investment Managers ability to effectively manage the sub-fund in line with PIR rules, the Board has decided that it is in the best interest of shareholders to liquidate the sub-fund.

You have three options explained below which you may want to review with your tax adviser and your financial adviser. All options could have tax consequences.

YOUR OPTIONS

- 1 Switch your investment to another sub-fund.** We must receive your dealing instructions by the deadline shown in the right-hand column. Be sure to read the Key Investor Information Document (KIID) for any sub-fund you are considering switching into, and for further information, the prospectus. Please note that despite having similar objectives and policies, other Sub-Funds may not seek to ensure they comply with the PIR.
- 2 Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.
- 3 Take no action and receive liquidation proceeds automatically.** We will make the proceeds available to you through the settlement method of record on your account soon afterward.

Regardless of which option you choose, you will not be charged any redemption or switch fees.
