- JPMorgan ETFs (Ireland) ICAV - BetaBuilders US Treasury Bond 0-1 yr UCITS ETF

The details and timing of the changes appear below. Please take a moment to review the information below. If you still have questions, please contact us at the registered office or your local representative.

Daniel Watkins  For and on behalf of the Board

Change of settlement deadlines – effective as of 26 September 2019

Reason for changes  The Board has decided to extend the deadline by which subscriptions and redemptions in the Sub-Funds are settled from one business day to two business days following the relevant dealing deadline. The reason for the proposed change is to align the settlement deadline for subscriptions and redemptions with the settlement schedule of the currency hedging transactions that the Sub-Funds may enter into in respect of currency hedged share classes.

These changes will not alter the way the Sub-Funds are currently being managed.
