Sub-Fund liquidation – option to take action ends 3 August 2026 at 14:30 CEST

Reason for liquidation

The Sub-Fund has experienced significant and sustained outflows, which are expected to continue, and has limited prospects for growth. The assets under management may decline to a level where managing the Sub-Fund according to its Investment Objective and Policy would be adversely impacted.

As a result, the Board has decided that it would be in the best interest of the shareholders to liquidate the Sub-Fund.

Your options

1. **Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.

2. **Take no action and receive liquidation proceeds automatically.** We will make the proceeds available to you through the settlement method of record on your account soon afterward.

You may want to review these options with your tax adviser and your financial adviser. All options could have tax consequences.

Regardless of which option you choose, you will not be charged any fees.
