

A Message from Your Fund's Board

JPMorgan ELTIFs

Dear Shareholder,

This is to notify you that JPMorgan ELTIFs - Multi-Alternatives Fund, a Sub-Fund in which you own Shares, will reduce its Lock-Up Period from five years to three years.

The change follows an assessment that a shorter Lock-Up Period can be implemented without materially affecting the Sub-Fund's investment approach, investment policy, risk profile or its ability to meet redemption requests.

Following the change, Shareholders will be able to request that a portion or all of their Shares be redeemed on or after the expiry of a three-year Lock-Up Period following the Subscription Day on which the Shareholder was accepted into the Sub-Fund. If Shareholders have subscribed on several Subscription Days, the Lock-Up Period applies respectively to the portion of Shares subscribed to on each such Subscription Day. The reduced Lock-Up Period will apply retrospectively to existing investments in the Sub-Fund.

At the same time, subscriptions will be accepted on a monthly basis (previously quarterly), on the first day of each calendar month (or such next available business day).

If you have questions, please contact us at the registered office or your local representative.
