

# A Message from Your Fund's Board

Dear Shareholder,

This is to notify you that the JPMorgan Funds - Global Real Estate Securities Fund (USD) (the “**Merging Sub-Fund**”) in which you own shares will be merged into the JPMorgan Investment Funds - Global Dividend Fund (the “**Receiving Sub-Fund**”), a sub-fund of JPMorgan Investment Funds, an undertaking for collective investment in transferable securities (UCITS).

**The reason for the merger and your three options are explained below.** Please take a moment to review the important information below. More detailed information, including rationale and timing, appears on the following pages.

If you still have questions, please contact us at the registered office or your local representative.

Jacques Elvinger *For and on behalf of the Board*

## Sub-fund merger – option to take action ends 28 November 2023 at 14.30 CET

**Reason for merger** The Board believes that the Merging Sub-Fund has limited prospects for growth in the future and it would be in the shareholders' interests to merge it into the Receiving Sub-Fund which has stronger growth potential. This growth can lead to economies of scale with the potential for lower fund expenses.

### YOUR OPTIONS

- 1 Take no action. Your shares will automatically be exchanged for shares of the Receiving Sub-Fund.** Any shares of the Merging Sub-Fund that you still own after the deadline will be exchanged for shares of the Receiving Sub-Fund.
- 2 Switch your investment to another Sub-Fund.** We must receive your dealing instructions by the deadline shown in the right-hand column. Be sure to read the Key Information Document (KID) for any Sub-Fund you are considering switching into, and for further information, the prospectus of the Merging Fund.
- 3 Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.

**You may want to review these options with your tax adviser and your financial adviser.** All options may have tax consequences.

## Merger timeline and impact

This section outlines key information relating to the merger. Further information is contained in the detailed Sub-Fund comparison that follows as well as in the relevant prospectus and KIDs. **We advise you to read carefully the KID of the Receiving Sub-Fund, which is enclosed with this letter.**

### Key Dates

**28 November 2023 at 14.30 CET**

Deadline for receiving all dealing instructions.

**1 December 2023** Merger occurs;  
shares exchanged.

**4 December 2023**

New shares available for dealing.

When the merger transaction occurs, all assets, liabilities and any income in the Merging Sub-Fund will be transferred to the Receiving Sub-Fund, and the Merging Sub-Fund will cease to exist.

All shares remaining in the Merging Sub-Fund at the merger date are exchanged free of charge for shares in the equivalent share class of the Receiving Sub-Fund.

The exchange ratio used to determine the number of shares to be allocated in the Receiving Sub-Fund is calculated by dividing the respective net asset value per share of each share class in the Merging Sub-Fund by the net asset value per share of the share class of the Receiving Sub-Fund, both exceptionally rounded to 6 decimal places for the purposes of the merger. The exchange ratio is rounded to 7 decimal places. The calculation of the exchange ratio will be validated and documented in the merger report prepared by the Fund's auditors (PricewaterhouseCoopers, société cooperative, Luxembourg) that will be available to you upon request.

The total value of the shares you own in the Merging Sub-Fund and the new shares you receive in the Receiving Sub-Fund will be the same, subject to rounding adjustments, but you may receive a different number of shares.

## Impact

### Key differences in investment policy between your Sub-Fund and the Receiving Sub-Fund

- The Receiving Sub-Fund invests primarily in companies, globally, that generate high and rising income, whereas your sub-fund invests primarily in Real Estate Investment Trusts and Real Estate Companies.

### Potential benefits

- Shareholders of the Merging Sub-Fund will benefit from investing in a sub-fund with better prospects for stronger growth in assets in the future.
- Shareholders will benefit from a broader sector exposure, diversifying market specific risks.

### Potential drawbacks

- One-time expenses associated with transaction costs will be borne by the Merging Sub-Fund, due to the rebalancing outlined below in 'other considerations'.
- On the merger date, and during the two business days before that, you will not be able to subscribe for, switch or redeem shares in the Merging Sub-Fund.

### Other considerations

- The Merging Sub-Fund will not bear any additional legal, advisory or administrative costs associated with the merger, which will be borne by the Management Company.
- The Merging Sub-Fund and Receiving Sub-Fund are part of different Funds with which have different financial year ends.

- While there is some overlap of assets between the Merging Sub-Fund and the Receiving Sub-Fund, there is a portion of the Merging Sub-Fund's portfolio which does not resemble that of the Receiving Sub-Fund. Therefore rebalancing of the assets in the Merging Sub-Fund will be required in preparation for the merger. All or part of the Merging Sub-Fund's assets may be held in cash for a short period in preparation for the merger, resulting in the Merging Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected that such portfolio rebalancing will commence no earlier than 10 business days prior to the merger date.
- Performance information for the Merging and Receiving Sub-Funds can be found in the relevant factsheet which is available from the document library at [www.jpmorganassetmanagement.lu](http://www.jpmorganassetmanagement.lu).
