The Sub-Funds have been suspended since 28 February 2022 and remain suspended because of the ongoing restrictive measures due to the Russian invasion of Ukraine and the Sub-Funds' material exposure to assets that became illiquid as a result. While suspended, the Sub-Funds cannot pursue their objectives nor implement their ESG approach or investment policies. The annual management and advisory fees and the distribution fees have been waived since March 2022 and will continue to be waived until further notice while the funds remain suspended.

All other fees and expenses of the Sub-Funds remain the same.
