# 'Towards Sustainability' Label

---

The following Sub-Funds have re-applied for the Towards Sustainability label and are required to comply with the new 2023 version of the Quality Standard (QS23) that comes into effect on 1<sup>st</sup> July 2024. The ESG exclusions policy of these Sub-Funds have been updated to reflect these requirements:

- JPMorgan Funds - Emerging Markets Sustainable Equity Fund
- JPMorgan Funds - Green Social Sustainable Bond Fund

The revised Sub-Fund exclusions policies are available in the "ESG Information" section of the relevant Sub-Fund's page which can be accessed through the following website <https://am.jpmorgan.com/lu>.

The changes to the exclusions policies do not change the way the Sub-Funds are managed and/ or their risk/return profile.
