A Message from Your Fund's Board

Sub-Fund liquidation – option to take action ends 12 March 2025 at 14:30 CET

Reason for liquidation

The Sub-Fund has not gathered sufficient assets and has limited prospects for growth. The assets under management may be reduced to a level where the Investment Manager will be unable to continue to pursue the investment objective and policy of the Sub-Fund. As a result, the Board has decided that it would be in the best interest of the shareholders to liquidate the Sub-Fund.

Your options

- 1. Switch your investment to another Sub-fund.** We must receive your dealing instructions by the deadline shown in the right-hand column. Be sure to read the Key Information Document (KID) for any sub-fund you are considering switching into, and for further information, the prospectus.
- 2. Redeem your investment.** We must receive your dealing instructions by the deadline shown in the right-hand column.
- 3. Take no action and receive liquidation proceeds automatically.** We will make the proceeds available to you through the settlement method of record on your account soon afterward.

You may want to review these options with your tax adviser and your financial adviser. All options could have tax consequences.

Regardless of which option you choose, you will not be charged any redemption or switch fees.

In the event that the Sub-Fund's assets under management reduce to a level whereby the Investment Manager can no longer continue to pursue the investment objective and policy of the Sub-Fund, the portfolio may need to be moved to cash/cash equivalents and the Annual Management and Advisory Fee will be waived. In this case, the Board may liquidate the Sub-Fund, as soon as practicable, before 12 March 2025 in order to protect the best interests of the remaining shareholders. Shareholders will be notified on the News and Fund Announcements page at jpmorganassetmanagement.lu, should the Board take this decision.
