** The total expense ratio (“TER”) is comprised of the Annual ACD Fee and the maximum operating expenses charge that can be taken.

*** For I Shares, operating expenses are not charged to the Share and instead are met by the ACD.

All other fees and expenses of the Fund remain the same. The waiver will not affect the way in which the Fund is managed and will be reflected in the relevant KIIDs at the next available opportunity.

This temporary partial waiver of the Annual ACD Fee will lead to lower overall costs for these share classes for the duration of the waiver.
